**Designed Smart**

- The W-3Vi warmer has an energy efficient design that keeps hot food at the perfect serving temperature.
- The unique serpentine shaped heating element evenly distributes heat throughout the unit.
- The warmer is provided with insulation to protect interior parts and countertops from heat build-up.
- Designed to run either with water (best option) or dry (will not harm warmer).

**Built Solid**

- Constructed with heavy-duty stainless steel for excellent durability.
- Inside liner made with stainless steel.
- Steel “element support” stabilizes heating elements and reflects heat toward food.

**Reliability backed by APW Wyott’s Warranty**

All APW Wyott warming equipment is backed by a 1-year parts and labor warranty, including our “Enhanced Warranty” service that replaces new units with certain product issues through the convenience of direct/factory shipments.

**Certified by the following agencies:**
